GREETINGS FROM THE DIRECTOR...

Dear Neighbors,

As a busy and successful summer comes to a close, we begin to look toward some exciting projects that will be coming up this fall.

Thanks to funding provided by East Bay Regional Park District's Measure WW Bond, a number of tennis courts will be resurfaced along with the installation of a new play structure in Tillman Park. In addition, the renovation of Krusi Park is well underway. An architectural firm is under contract to begin gathering public input for the preliminary conceptual design to replace the outdated existing building, install a new restroom/concession area, and upgrade pathways and picnic areas; in addition to removing existing and replacement with new structures to provide storage for park maintenance and youth sports equipment. To obtain input from the various user groups, a public meeting is scheduled on Thursday, September 29, 2011, at 7:00 p.m. at Otis School (3010 Fillmore Street) in the multipurpose room.

We also invite you to review the wide variety of programs in this edition and make sure to note your favorites on your calendar. The Recreation and Park Department continues to value community input, so please contact us with any questions, concerns, or ideas.

Sincerely,

Dale Lillard, Director
Alameda Recreation, Parks & Golf Operations
